I am a self motivated and trustworthy individual, I strive to meet deadlines, I love working in a team, I also love working by myself, as a definition I am quick to adapt to new norms, and I am always learning new and optimal ways to solve problems.

Work Experience

Software Developer

Greeftechnologies-Mafikeng, North West

May 2020 to Present

I build interactive and responsive websites on daily basis, up to so far I have built an E-commerce websites, Loadshedding website, file manipulation systems like Resume generator and Video, Audio trimmer, different company profiling websites and personal portfolio websites.

I work with JavaScript, TypeScript, C#, Java, Spring, Maven, Gradle, Junit, JSON, ReactJS, ExpressJS, NodeJS, Angular, JQuery, ASP.NET Core (MVC), MongoDB, SQL, MySQL, HTML, CSS, Tailwindcss, Bootstrap, Socket.io, stripe.com etc.

I host websites on different hosting platforms like Netlify, Render, Vercel, AWS, Azure etc, I work with Github because I host some websites through Github.

Over the years I have gained enough experience to be trusted with critical work.

AI model trainer

Outlier AI-Mafikeng, North West

Present

It's a freelance job and fully remote, I teach AI models by refining their responses to be as accurate as possible and mimic human behavior.

I am an expert in frontend development with JavaScript, HTML, CSS and Python.

Publications

My Portfolio website

<https://greef-portfolio-file.netlify.app/>

I described myself in the portfolio

E-commerce website

<https://greeftechnologies.netlify.app/>

Online Store where you can buy clothes and accessories.

Eskom Direct loadshedding website

<https://eskom-loadshedding.netlify.app/>

Loadshedding schedule website for Eskom Direct customers.

Construction Company website

<https://utility-company.netlify.app/>

A website for a construction company.

Resume generator in pdf format

<https://resume-cv-download.netlify.app/>

In this website I built a scalable resume generator that will download a pdf file when finished, I use browser cookies that expires in 3 months so that you won't have to rewrite the whole resume when you want to update it.
